

I'm not robot

Open

EACH SIDE OF THE CUBE IS REPRESENTED BY A LETTER

- R** = Right Face - Right side of the cube 
- L** = Left Face - Left side of the cube 
- U** = Up Face - Top side of the cube 
- D** = Down Face - Bottom side of the cube 
- F** = Front Face - Front side of the cube 
- B** = Back Face - Back side of the cube 

A letter with an "i" after it means an inverted or counter-clockwise move when looking at that face directly.

VERY IMPORTANT

When making the moves below hold your cube full-face front with logo on top as shown. Dark grey on the pictures means the color does not matter. Each move is a 1/4 turn rotation.

SOLVE THE TOP LAYER... GET ALL THE YELLOW ON TOP

2nd Step: Make all the corners yellow

NOW, look at the top (U) face and match your top (U) face to one of the states below

State 1. If No Corner Cubes are Yellow on the top (U) face, you must have Yellow Left Corner on Left Face as shown

State 2. If One Corner Cube is Yellow match your top (U) face as shown and do the sequence below.

State 3. If Any Two Corner Cubes are Yellow don't worry about their position. You MUST match the front (F) face with a Yellow Left Corner as shown.

Do this sequence 1, 2 or 3 times to achieve a complete yellow top (U) face. After each sequence, orient the cube to REMATCH the top (U) face to the appropriate state and repeat the sequence until all corners are yellow.

Congratulations!
If your cube looks like this picture you can move to Stage 6!
